Students' Council Report (2020-21)

The students' council helps students share ideas, interests and concerns with teachers, Principal and Management of the college.

Students were shortlisted on the basis of Merit from all the classes. First and second Merit holder of each class (Undergraduate and post graduate) are selected as Class Representative.

Students' Council members were acquainted with the profile of the College.

Various committees were formed of the students for the students with one mentor faculty assigned like Office committee, Library committee, Safety and Security Committee, Canteen committee, housekeeping committee etc so that any student of the college can communicate to the respective group of students to address and resolve issues if any and understand areas of improvement.

The sense of unity and affiliation with the college and the management developed amongst the students was clearly visible when the unfortunate incident happened with our Chairman, governing council Shri O. R. Chitlangeji. The students were deeply concerned and condemned the act and a letter was sent to Shri O. R. Chitlangeji by Student's Council members for speedy recovery, Recovery card was prepared by the students in the form of padlet.

During the pandemic, Various online meetings were held with the Director, Dr. Naresh Chandra, Principal, Dr. Avinash Patil and Vice Principals to review the situation and address any difficulty or need of the students, to discuss the new examinations pattern, to plan for the golden jubilee year celebrations.

5th July 2021, Online Quiz Competition on 'About our college and Principles of Pujya Shri B. K. Birlaji' was held. The purpose of conducting this quiz was to make aware the students about the college, as college is celebrating Golden Jubilee Year and about our founder Shri B. K. Birlaji on his birth centenary year. Around 400 students participated in the quiz.

On 23rd July 2021, 'Gurupurnima Celebration' was held online on MS Teams. The students produced 14 different art performances (songs, dances, story narration, etc) during the program. Faculties and Students from Junior and degree college participated.

Students' Council meetings were held to take the review on the well being of the students and their family and also to inform about the new courses which will be introduced in the college.

All the students were actively involved in all the co- curricular and extracurricular activities throughout the year.
